**Fort Sumner, NM** — Mental Health Resources, Inc. is *proud* to announce the opening of its fifth brick-and-mortar location, this time in Fort Sumner, New Mexico. Located at **101 Stearns Street**, this new site marks an important step in the mission to increase access to behavioral health care across rural eastern New Mexico.

Our Fort Sumner location will provide a wide range of essential services to meet the mental health and substance use needs of the community, including:

- Outpatient Counseling
- Medication Management
- Medication-Assisted Treatment (MAT)
- Intensive Outpatient Program (IOP)
- Comprehensive Community Support Services (CCSS)
- CareLink New Mexico (CLNM)
- Multi-Systemic Therapy (MST)
- High-Fidelity Wraparound

The Fort Sumner location will focus on expanding access to mental health and substance use counseling, IOP services, community support programs, and care coordination through CareLink New Mexico, which is critical in supporting long-term recovery, family stability, and community well-being.

“As we continue to expand our footprint across eastern New Mexico, we remain committed to providing accessible, high-quality behavioral health care to rural communities,” said Lacy Keith, LPCC, Chief Executive Officer of Mental Health Resources, Inc.. “We’re excited to partner with residents of De Baca County and surrounding areas to offer services that support healing, connection, and hope.”

In addition to in-person services, Mental Health Resources, Inc. provides a **24/7 crisis line** for individuals who need support. Anyone in a mental health crisis can call the crisis line at **1-800-273-8255** or text the National Crisis Line at **988**, where other trained professionals can help.

Mental Health Resources, Inc. accepts most major insurance plans, including Medicaid and TRICARE, to ensure services are available to as many individuals and families as possible. The Fort Sumner office's operating hours will be announced soon.
